2. (Unclassified - LLM) In the absence of Albert Gould, Director of the Washington Workshops, spoke with Florence Fields indicating that the press of events ruled out the possibility of the Director attending one of their sessions, but if a substitute representative from the Agency would be acceptable, I said I was sure that the Director would be happy to make an Agency official available to talk to this high school group. Ultimately, she identified the 17th of June at Mt. Vernon College at 8:00 p. m. as a slot for the Agency representative. I tentatively identified [] as a slot for the Agency representative. I tentatively identified [] OTR, as the Agency representative. [] has been alerted.
